

Counselor's Corner

NOVEMBER 2022

HIGH SCHOOL FAIR

7th and 8th grade students were presented with the opportunity to have up close and personal conversations with representatives from various high schools across Chicago. This presented students with the opportunity to determine **fit** (does this school have the programs and activities that are of interest to me?) and **Match** (Do I meet the criteria to be accepted at this school?) Smith students also had a second opportunity to attend the Network 13 high school fair on October 28th.

HIGH SCHOOL TESTING AND GO CPS

Our eight graders took the high school exam on October 26th. . This exam is for all students applying to high school for Fall 2023. The results of the test will be available on GO CPS. The Application period ends on December 2, 2022. Students have up until that date to change any previous selections. Counselors are available at Smith to help assist students and parents

with this process. Call (773) 535-5797 or email @SDcoleman2@cps.edu or LtArrington-Rose@cps.edu

TIER 1 SERVICES

The counseling team would like to visit your classroom to supplement Tier 1 services. Tier 1 services comprise of whole group targeted lessons for students. A survey is attached for you to complete so we can know the specific needs within your classroom.
